

A **BIG** thank you from the Community Service & University Relations Committee for all who participated in **Hats On Day** on Friday, May 1, 2009. We had such great turnout at Point Park University. We collected **\$120** in cash donations at the photo shoot and from many others who couldn't attend which has been donated via paypal (under Nicole Peffer's name) to the Foundation for Children with Cancer. We had such great hats! One staff member provided some vintage hats – truly beautiful – for members of her staff. And, the children's school kids came decked out in their favorite hats as well. Lots of fun hats and sports hats. The pictures don't do the hats justice!

Two prizes were awarded for the silliest hats worn by employees.

**Silliest Hat Award Recipient: Paula Stadelman.**

Paula is a Teacher in the Children's School.

**First Runner Up: Emily Quidetto.**

Emily is a Recruiter/Counselor in Graduate & Adult Enrollment.

Certificates and a small gift was given to each of our silliest winners.

Please do not use ANY of the pictures in formal marketing. I did not receive any permission forms from the children's parents or our staff. However, I've been told the kids that did participate did have their parents' permission. If there is one you'd really like to use, let me know and I'll get a permission form signed for you.

We had such a fun time with this and hope to make this an annual event! Please contact me with any questions.

Thank you!
